

# Looking for Computer Help?

## CAP IS BACK!

### What is CAP?

- A Government funded Community Access Program which provides free computer training!

### What can I do with CAP?

- Set up a new E-mail account
- Use existing E-mail account
- Create slideshows/ posters/ bookmarks, etc.
- Find/ Apply for Jobs Online
  - Improve Typing skills
- Use Government Services online
  - Edit your photos
  - And so much more...

### How can I start with CAP today?

- Sign up for free, one– on– one computer lessons by contacting Amber at the Aylmer Library. Call **519-773-2439** or drop in to book your lesson.

The Government of Canada provides funding for this initiative.
